(In this regard, Business Continuity Planning and Disaster Recovery Planning have much in common with security convergence.) At its heart, Business Continuity Planning and Disaster Recovery Planning processes are about constant communication. Appendix A - Listing of Attached Materials 9. Key Topics Covered: 1. For others, information technology may play a more pivotal role, and the Business Continuity Disaster Recovery Plan may have more of a focus on systems' recovery. Even if you have never built a Disaster Recovery plan before, you can achieve great results. March 16, 2021 05:34 AM Eastern Daylight Time DUBLIN--(BUSINESS WIRE)--The "Disaster Recovery Plan (Business Continuity) Template - GOLD Edition - 2021 Edition" report has been added to ResearchAndMarkets.com's offering. In most organizations, Disaster Recovery Planning is the quintessential complex, unfamiliar task. The Disaster Planning Template and supporting material have been updated to be GDPR,CCPA, Sarbanes-Oxley and HIPAA compliant.
